Approved For Release 2008/11/17 : CIA-RDP90B01370R001602020062-3

ct from Morning Meeting Minutes of 28 October 1977:

OLC #77- 4734

Cary reported that increasing pressure is being brought to bear for granting access clearances to personal staff assistants of Congressmen who are not actually salaried members of Committee staffs. Cary will suggest to the Director during their meeting on Monday that the Director continue to follow the policy of granting compartmented clearances only to members of the Committee staffs.
